

QM ENVIRONMENTAL ONCE AGAIN RANKED AMONG TOP 40 CONTRACTORS BY ON-SITE MAGAZINE

Mississauga, Ontario (June 12, 2018) – QM Environmental ("QM"), a leading Canadian environmental and industrial services company, is pleased to announce that it has once again been ranked among On-Site Magazine's Top 40 Contractors, a research project dedicated to determining the leading construction contractors in Canada, ranked by revenue.

"We are honoured to continue to be recognized as a top Canadian contractor," said Justin Sharp, QM's CEO. "Behind each ranking is the tireless determination of our skilled, dedicated and innovative team who consistently deliver quality work for our clients."

Among QM's notable current projects are: Ford St. Thomas Assembly Plant demolition and remediation, SaskPower Master Service Agreement for remediation services, Harbour Towers abatement and demolition project, Kelowna Powers Creek Water Treatment Plant excavation and restoration, and Neskantaga First Nation Community remediation project, among others.
